Matthias & Ulrich Sachsenweger: Stereoscopic acuity in ocular pursuit of moving objects – Dynamic stereoscopy and movement parallax: relevance to road safety and occupational medicine 1
Preface 7
1. Introduction 9
2. Elements of dynamic stereoscopic vision 14
3. Equipment and methods for testing dynamic stereoacuity 38
4. Normal values of dynamic stereoacuity 50
5. Variations of test objects and testing methods 65
6. Dynamic stereoacuity in response to changes in perception conditions 83
7. Effect of psychosensorial factors 100
8. Comparison between dynamic and kinetoparallactic stereoacuities 110
9. Conclusions 115
